IF you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Frank Brevard, who was charged with forgery, was tried in Judge Whitaker's Court yesterday and acquitted.

The friends of Mrs. R. B. Lovei will be glad to know that she is now convalescent, after being very ill for over three weeks.

John Duloy, Dealer in Dirt, yesterday sold the farm of Mr. and Mrs. John Loer near Mayslick. It comprises about 92 acres. Mr. E. T. Ross of Shannon was the purchaser at \$80 per acre. The new owner will take possession March 1st, 1905.

At the public sale of Mr. Henry Ort's property yesterday the handsome Fourth street residence brought \$1,050 and the two adjoining lots went at \$250 each. Mr. J. Chan Jefferson being the purchaser. The four-story business house in Second street was withdrawn at \$7,625.

Dr. A. N. Ellis yesterday morning delivered an exceedingly interesting and highly instructive lecture on "Hamlet" to the class in English literature at the Maysville High School. During his talk Dr. Ellis held the undivided attention of the class, and each member, as well as the teachers, wished to thank him for the lecture.

Easter souvenir spoons. The most beautiful ever made. Easter novelties in endless variety. New neck chains, dress sets, cuff buttons, belt buckles and ash pins the newest. See our ladies' bargain watch, stem wind 14k filled only \$15 for a limited time. See our line of gold watches. MURPHY, the Jeweler.

Master Pierce H. Glascock, while walking up Market street yesterday evening, picked up in front of Finerty's store a handsome gold watch, ladies' size. Attached to the watch chain was a Postoffice key with the initials M. D. N. engraved on it. The watch and key were taken to Postmaster Matthews, who soon developed the owner, which proved to be Miss Martha D. Newell of East Third street to whom the lost property was restored.

STEVENSON—SCUDDER.

Mr. J. William Stevenson of near Murphysville and Miss Mattie Scudder of this city left early this morning over the L. and N. for Lexington, where they will be married sometime during the day.

After the ceremony they will journey on to Nicholasville where they will spend a short time as guests of Mrs. Wood, sister of the groom.

This information will come in the nature of a surprise to many, but to the intimates of the popular couple it has been an open secret for quite a while.

Miss Scudder is one of the city's accomplished and beautiful young ladies whose friends and well-wishers are as numerous as the sands on the seashore.

She is a daughter of Mr. Elias Scudder and a niece of Rev. Dr. Scudder of Carlisle.

The groom to be is one of Mason's best citizens and well-to-do farmers and a gentleman of sound judgment, as is fully attested in his selection of a helpmate.

THE LEDGER extends its congratulations and best wishes in advance of the happy event.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick follow that counts—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

NOW, THIS IS GOOD SENSE!

Editor Ledger: I want it distinctly understood that I am opposed to a wheel of any industry in this city being interfered with by a few dissatisfied workmen who think they are not paid wages that justify their labor. If workmen have not the judgment to manage their affairs—of what would be fair wages for their labor—they had better select a representative that will represent them without a disarrangement of their employers' business. O. M. W.

SERIOUS ACCIDENT

Son of Mr. Richard Dodson Was Badly Hurt Yesterday

George, the 12 year old son of Mr. Richard Dodson, was seriously hurt about 5 o'clock yesterday evening. The lad with other companions was bicycling on Second street extension when the wheel, coming in contact with an obstruction, swerved and threw the boy with great force against a telephone pole.

He was carried home and Dr. Samuel called in. He has been in a semi-conscious condition ever since, and during the night vomited blood. While there are no bones broken the Doctor is unable at this time to say just what his condition, but that he is badly hurt is apparent. George is a bright, manly boy and much sympathy is expressed for both boy and father.

REPUBLICANS, ATTENTION!

The Republicans of Mason county are called to meet in Mass Convention at the Courthouse in Maysville, Ky., on Saturday, April 23d, 1904, at 1 o'clock p. m., standard time, to select Delegates to the State Convention to be held in Louisville on May 3d, 1904, for the purpose of selecting Delegates and Alternates to the Republican National Convention in the city of Chicago, Ill., June 21st, 1904; also, for the purpose of selecting Delegates to the Convention to be held in Maysville, Ky., April 26th, 1904, for the purpose of selecting Delegates and Alternates from the Ninth Congressional District to said Convention.

Further, the Republicans of the various voting precincts of Mason county will meet on Saturday, April 16th, 1904, at 1 p. m., at the last voting place of their respective precincts for the purpose of selecting Precinct Chairmen for the ensuing four years, which Precinct Conventions will report to said Mass Convention of April 23d, 1904. W. D. COCHRAN, Chairman.

JUDGE JAMES P. TARVIN of Covington is to "boom" \$30,000,000 Hearst in this state. As the Judge was Kentucky's "original Bryan man," it is in order for Kentucky to go hell-bent for the other fellow.

An ingenious chap in Germany has made an "unbreakable article of tableware in glass and China." It "may be used as a hammer to drive nails,"—or caromed on hubby's head across the breakfast table without damage to the dish.

AND now comes a jackleg lawyer named Wilson, hailing from Hinsdale, Ill., who sues Secretary Shaw and the Panama Canal Company of France in the Supreme Court of the District of Columbia to stop the payment for the isthmian canal property. He avers that there is no legal appropriation of money for the payment, and charges that the treaty is unconstitutional and void. What a pity President Roosevelt hadn't discovered this duck and made him Attorney General—or Chief Justice of the White House Stables.

CHAIRMAN W. D. COCHRAN has issued notice for the coming Republican Conventions, to be held in this city and county, which will be found at the head of these columns.

THE American Grocer shows that in the United States \$1,242,943,118 is spent annually for alcoholic beverages and only \$208,690,261 for tea and coffee. It will no doubt seem strange that such a disproportionate amount is wasted on tea and coffee.

THE Honorable Mr. GOLDEN is the last one of the late TOM CAMPBELL's "star" witnesses to help "Hang TAYLOR and Damn the Republican Party" to turn up as a rascal. He is wanted by the Police of Cincinnati for a series of swindling operations there in the purchase and sale of several saloons. "One by one the roses fall."

PHILADELPHIA, sneeringly referred to as "slow and sleepy" by some other cities, leads the world in fire protection; and even Cincinnati proposes to copy after the high-pressure fire main system which Philadelphia originated, and which is the only one in the world. It's worth going miles to see Philadelphia firemen tackle a burning skyscraper.

IT comes from Louisville that the Continental Tobacco Company—the Tobacco Trust—has cornered the burley tobacco market. The Company has secured options on a great deal of tobacco in various parts of the country, and in addition, it has purchased 80% of the tobacco offered in the leading markets of the country during the past two weeks. It is figured that from 8,000,000 to 10,000,000 pounds of tobacco have been bought during the past ten days.

In the Cincinnati market the Continental has been a big buyer of late, and it is said that the Company can use all the tobacco acquired. The 1903-04 crop, it is figured, will be 25% less than that of the preceding year.

"DO IT TODAY."

The time-worn injunction, "Never put off 'til tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Ho-schee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dream consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. RUN DOWN AND NERVOUS.

VINOL COMPLETELY RESTORED MRS. BURNS'S HEALTH.

J. C. Pecor, Our Well Known Druggist, Agrees to Return Money If Vinol Fails.

"Many people right here in Maysville are all run down, hardly able to drag about, don't know what ails them. This condition is probably caused by a cold, or cough, which is hard to cure, over-work or too close confinement to business. Such people need Vinol," said Mr. J. C. Pecor, and the following letter is only one of many which we are constantly receiving showing what Vinol will do.

Mrs. W. T. Burns of Memphis, Tenn., who is national press correspondent of the W. R. C., writes: "Last winter I caught a severe cold which it seemed impossible to get rid of. I became much run down, lost my appetite and flesh and felt nervous and irritable. Vinol was recommended, and it certainly worked wonders for me; it increased my appetite, cured my indigestion, cough and nervousness and I sleep soundly. I consider Vinol a wonderful remedy."

Vinol cures such conditions because it is the

MRS. W. T. BURNS.

only preparation in the world that contains every one of the fifty odd medicinal curative elements found in fresh cod livers and without one drop of useless oil, which characterizes old-fashioned cod liver oil and emulsions. It imparts in a natural manner strength and vigor to every organ of the body, aids digestion and makes rich, red blood.

Vinol is not a patent medicine, everything is printed on the bottle; it contains iron, and in a highly concentrated form all of the vitalizing properties contained in cod liver oil. It is delicious, and the weakest stomach can retain it.

We ask every run down, nervous, debilitated, aged or weak person in Maysville and every person suffering from stubborn colds, hanging on coughs, bronchitis or incipient consumption to try Vinol on our guarantee. It costs nothing if it fails to give satisfaction. J. C. Pecor, Druggist.

Garrison Barnes, aged 80, died at Owingsville yesterday.

State Senator W. A. Byron and Miss Jennie Staton, both of Brooksville, were married yesterday at the residence of Bishop C. P. Maas, Covington, with ceremony by the Rev. Father Gorey, Secretary to the Bishop.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it is able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
